### WHY VITA?

The Volunteer Income Tax Assistance (VITA) program is a locally run IRS-supported tax preparation service that is free for families making a total household income of less than \$54,000 per year or individuals with less than \$20,000 in annual income. It is supported by United Way of Greater Philadelphia and Southern New Jersey in partnership with the Campaign for Working Families, Inc. For families and individuals throughout our region living paycheck-to-paycheck, a full tax refund can be a significant budget boost. Too often, taxpayers are unaware of important credits they are eligible for, leaving valuable dollars on the table.

### WHAT IS THE EITC?

EITC, the Earned Income Tax Credit, is a tax credit to help you keep more of what you earned. To qualify, you must meet certain requirements and file a tax return, even if you do not owe any tax or are not required to file.

### WHO MAY QUALIFY?

EITC is for working people who earn less than \$54,000. This year, the credit can be from \$2 up to \$6,318. The credit amount changes based on:

- If you are single or married
- If you have no children or the number of children you have
- The amount you earned

### WHAT OTHER CREDITS MAY BE AVAILABLE?

A number of tax credits or deductions such as the Child and Dependent Care Credit or Education Credit may be available to individuals and families filing a tax return. By working alongside a VITA preparer, more people in our region can take advantage of valuable tax credits and receive full refunds that can help pay down debt or provide savings.
